

Honeycomb Blinds

Stylish energy
saver with style
and beauty

- unique design
- Innovative ■ modern

privacy and
sun protection

range of colours
and styles

lightweight,
easy operation

Stunningly attractive Honeycomb Blinds are practical and economical energy savers. They insulate your room via the uniquely shaped cells that hold still air in the pockets. Your rooms stay warmer in winter and cooler in summer.

The beautiful range of soft fabric colours are light weight and fade resistant, yet provide amazing insulation and are very compact when closed. There is a cell size and operational control to suit and beautify any setting.

COMPLETING *your* VISION.
INTERNAL & EXTERNAL WINDOW FASHIONS

Your local Fashionline dealer provides elegant and distinctive window furnishing concepts by combining the resources of Australia's largest independent blind manufacturing co-operatives.

Fashionline is the brand of an Australia-wide association of blind manufacturers who have created a range of timeless window furnishing solutions with the latest designs, colours and technology at affordable prices.
