Here's Cheers to Stan Bond

Providing sun protection & shading solutions for 40 years

Zipscreens®

Zipscreen® is a next generation track guided blind system designed to be a modern shading option for windows or to close in verandah areas. Available in either easy to use spring or motor operations, the Zipscreen® is a functional and stylish addition to your home. The Zipscreen® product can be made up to 5 metres wide and 4 metres tall ensuring most openings can be covered without the need for a central post.

**BONUS
UPGRADE**
MOTORISATION ON
ZIPSCREEN AND
FOLDING ARM
AWNINGS*

Your blinds and awnings are automated from one central control. Ask how we can add heat and wind sensors that let your blinds think for themselves!

**HUGE
RANGE OF
DURABLE
FABRICS**

Auto Guide Awnings

Auto Guide Awnings, one of Stan Bond's most popular outdoor blind systems, can be raised and lowered to any position by sliding the arms on the guide rods. Huge range of durable fabrics.

YOUR VIEW**

Straight Drop Awnings

Stan Bond's Straight Drop Awnings are ideal for enclosing pergolas, verandahs and entertaining areas. Available in canvas, mesh or clear and tinted PVC.

Folding Arm Awnings

Extend your outdoor living areas with a Folding Arm Awning to shade your terrace, patio, courtyard, balcony or over large floor-to-ceiling windows. Adjustable pitch allows you to change the angle of your awning.

Proudly South Australian owned, operated and made.

STAN BOND

Quality, Design and Price!

Helping protect South Australians for 40 years

Roller Shutters

Stan Bond's Roller Shutters reduce heat, light and noise, providing significant energy savings.

Sunlight and harmful ultra-violet rays are prevented from fading and damaging your carpets, interior furnishings, paintings and window frames.

Burglars... They don't chill out over summer!

SECURE A GREAT DEAL AND SECURE YOUR HOUSE NOW 8336 2225

HUGE RANGE

Security Doors

Stan Bond offers a range of security doors for additional home protection and peace of mind. Hinged grille and sliding security doors offer custom made protection while allowing fresh airflow into your home. Made from specially tempered aluminium for greater strength, 3-point hinging is standard. Can be keyed alike to your existing doors (if compatible). Good looks, low maintenance and peace of mind!

Stan Bond's Decorative Cast Panel Doors offer the option of personalising the appearance of your home.

Crimsafe® Security Doors

Stan Bond is a licensed manufacturer of Crimsafe® Security products including Security Doors, Window Screens and Safe-S-Cape®. Crimsafe® is no ordinary security system product; it is a highly developed combination of Structural Grade 304 Stainless Steel Mesh screw clamped into a strong frame.

Crimsafe® actually repels the physical assault that a burglar or intruder would apply and Crimsafe® resists attempts to cut through it like no other security screen. If you want security, buy Crimsafe®!

Crimsafe, the security product that exceeds the Australian Standard by a massive 500%*

FREE CLEANING KIT

** Independent Tests conducted by UNSW@ADFA April 2009 (University of New South Wales' School of Aerospace and Civil and Mechanical Engineering at the Australian Defence Force Academy)
* The Australian Standard 5039 / AS5041:2003 - Methods of Test- Dynamic Impact Test calls for 5 x impacts at an energy level of 100 joules.

Vertical Blinds

Stan Bond's Vertical Blinds (also known as Louvre Drapes) offer elegance and practicality. They can be drawn back away from the window or tilted to increase or reduce your view and privacy. Phone for a factory direct quote today.

Roller Blinds

Also known as Holland Blinds, our Roller Blinds are practical and affordable for the home and office. Versatile enough to meet any design theme or insulating requirements. A large range of fabrics and colours.

**INSPIRING
COLOUR
SELECTION**

Roman Blinds

The soft fabric panels can be drawn up or down; offering good light, glare and temperature control. They give a plush, well-appointed feel to any room. Translucent or block out fabrics let you custom the degree of privacy offered.

Venetians

This style is one of the most functional and enduring blinds in the Stan Bond range. With a simple twist you can control the light, view and temperature. Can be fully raised, with water resistance that makes them ideal for wet areas.

**ALL OUR
INTERIOR
BLINDS ADHERE
TO THE STRICT
CHILD SAFETY
REGULATIONS**

Panel Glides

The Stan Bond Panel Glide system offers privacy and sun protection over large expanses of glass, hinged or sliding doors. It is well suited to minimalist decorating styles and often used in conjunction with Roman Blinds on widows.
